The objective of the Club is to encourage and assist members with the enjoyment, preservation and restoration of the above range of vehicles regardless of the condition of their car. To this end the following services are available to all members: Quarterly high quality newsletter, in magazine form, with technical articles, items of general interest concerning the vehicles, special offers, letters from members, and a large classified advertisement section featuring cars & spares for sale and wanted. Spares service, which offers remanufactured panels, stainless steel exhausts, special offers and some excellent **exclusive** discounts from specialist traders including model Club cars. We also have great deals with selected Classic Insurance Brokers offering big discounts on your insurance with free European recovery too.

Rallies and meetings are organised by the Club. There are now local area meetings throughout the whole of the U.K. which are well attended by members, with more springing up all the time. The Club holds several major rallies during the year all over the country, including a large 'National' Rally which moves location every year to allow as many members as possible the chance to attend. The Club has also exhibited at many major car shows, as well as at local rallies and fetes.

If you would like to join this friendly and rapidly expanding International Club, please complete this application form, selecting the type of membership most suitable for your own circumstances.

Please also complete the details overleaf before returning this form. Thank you.
